

## NASAQ Newsletter April 2023

### Sporting Competition April

36 Participants  
High Gun Roger Willems!  
Shootout between the  
Juniors.

Full Results can be found  
on our Facebook Page.

Next Sporting Competition will be Sunday 7th May 2023,  
which will mark the beginning of the Club Championship  
rounds (see separate flyer for details).

FSB Ammunition continue to support the club in many ways, with FSB's own  
SUPERCOACH providing expert advice on how to 'smash those rabbits' on  
Easter Sunday! Those that listened did just that, but we think the Gamebore  
White Golds may have helped, just a little...

NASAQ has plenty of ammunition in  
stock, and if we don't have what you  
want contact FSB Ammunition directly,  
and they can bring to club for you.

### Volunteering ???

We would appreciate your help!

If you can assist in setting up, and/or  
packing up, either on Wednesdays or  
Sundays, please make yourself known to  
Sean Healy.

We are contemplating having a roster  
system to ensure practice and competition  
days run smoothly.

Our NEW website is getting lots of hits and  
is mobile device friendly. We are seeing an  
uptick in enquiries as a result.  
Gentle reminder to members, and visitors  
that our Range Standing Orders can be  
found on the website, please make  
yourselves familiar as it is a requirement that  
all attendees to our Club understand and  
obey them.

### Our English Sporting (pairs) Novelty Event

was held in March, with 32 participants.  
It was a low scoring event with best score  
of 50/60 going to Rod Clough.  
Feedback was encouraging with many  
asking if we could hold it again,  
but next time mid year when the  
conditions are more favourable (cooler).

Prizes awarded by FSB Ammunitions for 'Best Dress'  
went to Jack Davis, George Tucker and Susan Townsend.

Firearms Safety Course.

Do you know anyone who wants to get their Firearms License?

our leafy backdrop.
